Financial Aid for Non-Degree Students

In order to be considered for federal financial aid, UI non-degree students who are completing required pre-requisites in order to be considered for admission to a degree program must complete and submit the *UI Non-Degree Student Status Form* on the other side of this information sheet.

This form must be signed by the student and the student's academic advisor or department chair before it is submitted to the Office of Student Financial Aid. If this form is not signed, it will be returned to the student.

Federal financial aid regulations limit financial aid for pre-requisite coursework to **one consecutive** 12-month period. Once federal loans have been received for pre-requisite coursework, the 12-month countdown begins regardless of academic level (undergraduate/graduate).

UI courses documented as required pre-requisites for a degree program at another institution may be considered for federal financial aid. Section II of the Non-Degree Status form must be completed by the institution where the degree program will be accomplished.

Non-degree financial aid *cannot* be awarded for the following reasons:

- the courses will apply toward the intended degree
- graduate students who are not admitted to a degree program due to incompleteness of the Graduate Record Exam (GRE) or have missed the application deadline
- non-degree courses taken to raise grade point average (GPA) for admission consideration
- courses taken at another college/university

A student must complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov and all other required documents as outlined on our website at www.uiowa.edu/financial-aid/apply. After reviewing the documents, we will notify the student by email of his/her eligibility for Federal Direct Loans.

Annual loan maximums are as follows:

| <u>College/Class</u> | <u>Dependent</u> | <u>Self-Supporting</u> |
|----------------------|------------------|------------------------|
| Undergraduate | \$4,625 | \$8,625 |
| Graduate | | \$12,500 |

If students have questions regarding any of the above requirements, contact a financial aid counselor at (319)335-1450 or by email at financial-aid@uiowa.edu. Helpful student financial aid information is available on our web site at <http://financialaid.uiowa.edu/>.
