- Comply with Selective Service registration requirements
- Be a citizen or permanent resident of the United States

Cost of Attendance

Winter tuition, fees, and books costs will be added to your fall cost of attendance. Your fall financial aid will be adjusted based on the increased costs.

OVER

University Bill (U-Bill)

You will be billed by the University Billing Office in December for contracted charges (tuition, fees, and residence hall room and board). **Your University bill must be paid by the due date, regardless of delays, reductions, or cancellation of financial aid.** Questions regarding the U-bill or the impact of not paying the U-bill should be directed to the [University Billing Office](#), Room 5 Calvin Hall, 319-335-0071, 800-943-4557, or email ubill@uiowa.edu.

Financial Aid Disbursement

- The University Billing Office will begin disbursing winter financial aid when your winter class begins.
- If financial aid is available for disbursement and all requirements are met, the University Billing Office will apply financial aid funds to contracted University charges (tuition and fees and residence hall housing and meals). Any excess funds will be direct deposited in your bank account, if you have authorized direct deposit with the University Billing Office. [Authorize financial aid direct deposit](#) through MyUI. (When in MyUI, click on *Financial Aid and Billing*, then *Bank Information-Refund Account*.)
- First-time Federal Direct Loan borrowers must complete entrance counseling and a Master Promissory Note (MPN) online at studentloans.gov before loan funds will disburse.
- After being awarded a Parent PLUS loan, the parent must complete an on-line electronic PLUS Loan Request at studentloans.gov before loan funds will disburse.

Types of Financial Aid Available

Federal Pell Grant (financialaid.uiowa.edu/types/grants)

- Undergraduate students with no prior bachelor's degree who were registered less than full-time in the fall will automatically be considered for the Federal Pell Grant.
- **Most students will have been awarded their full Pell Grant eligibility for the 2016-2017 academic year and will not qualify for a Pell Grant for the winter session.**

Federal Direct Loans (financialaid.uiowa.edu/types/loans)

- Subsidized Stafford—Loan eligibility is based on financial need. The interest is paid by the federal government while the student is enrolled at least half-time. **If a student has already been awarded the annual maximum loan amount during the 2016-2017 academic year, they will not be eligible for a winter loan.**
- Unsubsidized Stafford—Loan eligibility is not based on financial need. Interest accrues while the student is enrolled. **If a student has already been awarded the annual maximum loan amount during the 2016-2017 academic year, they will not be eligible for a winter loan.**
- Graduate PLUS—Loan eligibility is not based on financial need. Interest accrues while the student is enrolled. Repayment begins immediately when the loan is fully disbursed; however, an automatic deferment is granted with at least half-time enrollment. Interest will continue to accrue during deferment. This loan goes through a federal credit approval.
- Parent PLUS (available to parents of dependent students) —Loan eligibility is not based on financial need. Interest accrues and repayment begins immediately. Parents may request deferment of loan payments by calling their Direct Loan Servicer after the loan has disbursed. Parents will receive a letter identifying their Direct Loan Servicer after the PLUS Loan has disbursed. Interest will continue to accrue during deferment. This loan goes through a federal credit approval.
